Filing was performed during the October 1 - December 31 statutory period and renewal is not required until the next statutory period of October 1 - December 31 , 2023. FDA Registration Assistance will confirm that such registration is still existent upon request and presentation of this certificate. FDA Registration Assistance makes no other representation or warranties, nor does this certificate make any representations or warranties to any person or entity other than the one named on the certificate, for whose sole benefit this certificate is issued. FDA Registration Assistance assumes no liability to any person or entity in connection with the foregoing. Registration of a drug establishment or drug wholesaler, or assignment of a registration number, or a assignment of a NDC number does not in any way denote approval of the firm or its products by the U.S Food and Drug administration. Any representations that creates an impression of official approval because of registration or possession of registration number or NDC number is misleading and constitutes misbranding. The U.S FDA does not issue certificates of registration , nor does the Food and Drug Administration recognize a certificate of registration. FDA Registration Assistance is not affiliated in any way with the U.S Food and Drug Administration (FDA).
